

# WESTERN ENERGY IMBALANCE MARKET

**EIM Governing Body      March 8, 2018      Briefing on Commitment Costs and Default Energy Bid Enhancements and Decision on Advisory Role**

**General Session**

## **Motion**

**Moved, that the EIM Governing Body will provide verbal and written advisory input to the Board of Governors, as discussed at its March 8, 2018 general session meeting, supporting Management’s proposal on commitment costs and default energy bid enhancements, and based on Management’s commitment to brief both the Governing Body and the Board of Governors prior to increasing the circuit breaker bid cap from reference level multiplied by 150% to 300%.**

**Moved: Linvill      Second: Fong**
