

EXECUTIVE BIOGRAPHY

Kristine Schmidt

Energy Imbalance Market Governing Body

Ms. Schmidt, President of Swan Consulting Services, has over 30 years of energy industry experience. Prior to the founding of Swan Consulting Services, Ms. Schmidt has held a variety of senior management and corporate executive roles with policy and development responsibilities for generation, transmission, distribution, regulatory and external affair functions for multiple investor-owned utilities. Additionally, Ms. Schmidt worked at the Federal Energy Regulatory Commission as a technical advisor to Commissioner Nora Brownell and as an industry analyst.

Ms. Schmidt has served on a variety of non-profit boards and associations, including the GridWise Alliance Board of Directors. Ms. Schmidt earned a master's degree in public policy from Georgetown University; a master's degree in business administration from the University of Minnesota; and a bachelor's degree in English literature from the University of Wisconsin-Madison.

Ms. Schmidt was first appointed July 1, 2016. She was reappointed July 1, 2017, for a term ending June 30, 2020.
