

# WESTERN ENERGY IMBALANCE MARKET

## Regional Issues Forum Public Interest Group and Consumer Advocates Sector Call

Jennifer Gardner  
Western Resource Advocates

September 25, 2020

# The Operating Guidelines for the Regional Issues Forum provide a framework to educate and address stakeholder issues related to the Western EIM

- Provide a forum for discussion
- Solicit input and participation from sectors on topics and content of forums
- May express common position to EIM Governing Body
- Communicate results of RIF meetings to EIM Governing Body
- The RIF consists of self-selected representatives from five stakeholder sectors
- Each sector is responsible for selecting two liaisons

# The Public Interest Groups and Consumer Advocates sector seeks to nominate and select a new Liaison

- This process kicked off with the August 20<sup>th</sup> meeting
- Three candidates indicated their desire to be nominated for the role and submitted statements of interest
  - Anna DeMers, Wyoming Office of Consumer Advocate
  - William Gehrke, Oregon Citizens Utility Board
  - Chloe Lukins, California PUC Public Advocates Office
- Statements of Interest for each candidate can be found on the Regional Issues Forum webpage under the September 25<sup>th</sup> meeting
