

WESTERN ENERGY IMBALANCE MARKET

Western EIM Governing Body Market Expert - Role and Responsibilities

The Market Expert will provide comprehensive explanations and technical opinions, as requested by the WEIM Governing Body, to aid it in making well-informed decisions. As requested by the WEIM Governing Body, the Market Expert will produce reports and opinions and evaluate the fairness and efficacy of proposed market rule changes, business practices, market operations and price formation. The Market Expert will support the WEIM Governing Body in understanding complex market topics and provide information on best practices from other markets. Additionally, the Market Expert will provide routine market-related analysis and reports as specified by WEIM Governing Body.
