

# WESTERN ENERGY IMBALANCE MARKET

## Overview of BOSR comments on the Governance Review Committee scoping paper

Oregon Commissioner Letha Tawney  
Body of State Regulators Chair

EIM Governance Review Committee  
General Session  
March 11, 2020

# EIM Body of State Regulators

- Membership - One regulator from each Commission in the market footprint
  - 8 states today - including California
  - 3 additional states by 2022
- Role
  - Educate and build capacity in Commissions
  - Reflect consensus positions to the Governing Body
  - Participate in the nomination of governing body members

# Good Governance in a Regional Market

- Empowered, representative decision makers who are equipped to make sound, transparently informed choices.
- Equipped public interest stakeholders able to participate in reasonable proportion to market participants.
- Transparent decision making and stakeholder processes that engender trust across diverse interests.
